Christmas\_Lights.jpg.jpg Now that you have your budget organised, meals planned and gift giving/buying underway, plan some Christmas events to get into the spirit! It's too easy to get caught up in all the other stuff and miss out on the festivities.

Here are some of things we do together as a family and with our friends. Some of these do cost money, and these are accounted for in our Christmas budget.

\* Drive around and see the Christmas lights in the neighbourhood - better still, if you are in an area that goes all out with their lights - walk!

\* Go to your local Christmas carols

Christmas\_Story.jpeg.jpg\* Dress up in Christmas outfits, pop some popcorn and watch a Christmas DVD

\* Check out your local council website for free activities in your area

\* Sit together and read Christmas stories - at the local library or from your own collection!

\* Catch the bus into the city and visit Santa at one of the department stores, read the story windows - take lunch or morning tea with you!

\* Have cooking parties with friends and with your kids friends. Make up some favourite Christmas recipes for gifts while your playing Christmas carols!
